Proceedings of the Chief Court upon the legality of an order passed by the Dt Mag of Bangalore under Secs 435 and 528 of the Cr P C

The Dt Mag of Bangalore issued a Pro: to the Asst Com^r of [illegible] of Closepet & the 2nd para of it is as follows

"The Asst Com^r Closepet Range is also requested to submit all criminal complaints that may be brought before him to this Court for orders as soon as he tatles them on his file"

The Chief Court doubting the legality of such an order, sugg

of the Dt Magt ~~to~~ t under which provision of the law ~~can~~ he gave such a general direction to the Asstt Comr / Magt. The Dt Magt in reply said that the order was passed under Secs 435 and 528 of the Cr. P. Code that judgments from previous records of Cr. cases tried by the Asstt Comr + Magt of Hospet, it was thought better not to trust him with any very serious cases.

Finally the Chief Court observed in their Proc: (a copy of wh is now forwarded to the Govt for information) that if the Dt Magt is satisfied that the Asstt Comr is not fit to be entrusted with the powers of a 1st Class Magt, a representation

should be made to C.J. to that effect and that so long as the Dist Court is permitted to exercise the powers of a 1st Class Magt, his powers shd not be interfered with or crippled otherwise than as is provided by the Cr. Procedure Code

Submitted for orders

The attention of the Dy Magte may be drawn to the last para of the Chief Court's proceedings, and he may be asked to ~~state whether~~ submit at once through the Chief Court any recommendation he may wish to make in the matter of the Ahmed Khel prisoners, together with the reasons therefor.

Lo Secy

12-11-13

I am not sure whether any action should be taken on this. The Dist Magte does not seem to be quite ill-pleased & it may be presumed he has withdrawn it.

15/11/13

I presume the District Magistrate will take the necessary action on the hint thrown out by the Chief Court - There I see no harm in directing the District Magistrate's attention to the last para of the Chief Court's order & bringing the Chief Court's order, expressed in the same action -

Resubmitted to Secy

The proceedings of the Chief Court have been already communicated by the Registrar to the District Magte; & it is a copy thereof which has been sent to Govt for information. This was why it was not proposed to send a copy afresh to the Dist Magte.

Draft put up. 24/1/03

Draft issued with Secy's approval.

In reply, the Dist Magistrate states that he has since examined the Court of the 1st class magistrate of Bhagpat in charge of which Mr Ahmed Ali was for some time and got him to explain the errors and omissions found in connection with the Registers rec'd, and that though this magistrate's work is far from satisfactory, there is nothing sufficiently glaring to induce his Court to recommend the withdrawal of the 1st class powers exercised by that Magistrate

26/2/04

The report is not altogether favourable tho' the District Magistrate is not quite prepared to recommend the withdrawal of the Cop powers - withdrawals can only be recommended on evidence, and not on general grounds - Hence Mr Sharkey's difficulty -

Para 2 of the Secretariat draft is quite unnecessary - The Chief Court ~~order~~ has declared ~~the~~ judicially and the District Magistrate must be presumed to have ~~given effect to it~~ - refused to hold the Municipality to be placed in a position where he will have no effective municipal work to perform -

Proceedings of the Chief Court of Mysore -

Bangalore 6th November 1903

Read Proceedings of the Dis- trict Magistrate of Bangalore dated 7th September 1903.

The second para of the Proceedings is as follows :— The assistant Commissioner, Closepet Range, " is also requested to submit all criminal complaints that may be brought before him to this Court for orders, as soon as he takes them on his file".

The legality of the order appeared doubtful and the District Magistrate was requested to quote the provision of the law under which he gave such a general direction to the Assistant Commissioner and Magistrate - He writes that the order was passed under Sections 435 and 528, Criminal Procedure Code, as judging from previous records of Criminal cases tried by this Magistrate, it was thought better not to trust him with any very Serious

cases".

Section 528 empowers the District Magistrate to withdraw any particular case, or if so empowered by Government, any class of cases, from the file of a Subordinate Magistrate. The order which should be passed under this Section is a judicial order and the reason for the same should be recorded in writing. The section does not authorize the District Magistrate to call for all complaints filed in the assistant Commissioner's Court with a view to determine whether the assistant Commissioner shall or shall not try all or any of them.

Section 435 empowers the District Magistrate to call for the record of any proceeding "for the purpose of satisfying himself as to the correctness, legality or propriety of any finding, sentence or order" so there can be no room for revision when the assistant Commissioner has not done anything beyond admitting a complaint on his file.

If the District Magistrate is satisfied that the assistant

Commissioner is not fit to be entrusted with the powers of a first class magistrate, a representation should be made to Government to that effect. But so long as the assistant Commissioner is permitted to exercise the powers of a First class Magistrate, his powers should not be en- -larged with, or crippled otherwise than as provided by the Procedure Code -
